

Guarantee of Repayment of Advanced Continuing Education Funds

Olympic Sports & Spine (OSS) has advanced to me continuing education funding upon my request. To reimburse OSS for this advance, I agree to designate continuing education benefits that will be accrued through my future work hours in the amount necessary to satisfy this debt.

In the event that my employment with OSS is terminated, either voluntarily or involuntarily, I agree to repay OSS for any advanced continuing education balance that remains unsatisfied after all future benefit accruals are applied.
